

BECOME A MASTER MINDER

MEET WITH A SMALL GROUP OF LIKEMINDED SUCCESSFUL BUSINESS OWNERS

"Andrew Carnegie had a mastermind group. So did Henry Ford. I don't know anybody who has become super successful who has not employed the principle of masterminding." Jack Canfield.

Being in business can be lonely, especially when you're at the top.

As the leader you need to put on a brave face, solve the problems and motivate everyone else.

BUT,
Who motivates you?
Who helps you solve your problems?
Who listens to you?
Who can you talk to?

We know who:

- Become a member of a Master Mind group and gain access to 4 other successful business people.
- Get to know others who have the same issues.
- Meet with others who have ideas and suggestions.
- Get help, give advice or both.

Program includes:

1. 3 x 2 hour monthly sessions (giving you time to implement your ideas and solutions)
2. Completely structured and facilitated by Shirley Dalton
